2. *The Technical Performer (hereinafter: Technical Performer) will be chosen by the Organiser.*
3. *All natural and legal persons having filled in, certified and submitted the Registration Documentation on time are entitled to take part in the Crofish fair provided that they comply with the obligations set out in the Exhibitor General Terms and Conditions, which entitles them to the title of Exhibitor. The Registration Documentation comprises the Registration Form, Appendix, and Exhibitor General Terms and Conditions. Details of the Exhibitors' participation in the Fair are determined in the Registration Documentation. A Registration Form, filled out, certified and signed by the Exhibitor and delivered to the Technical Performer – the company Technical Performer is considered a concluded written contract. The deadline for submitting the Registration Documentation is 31st October 2025.*
4. *The Exhibitor shall comply with all applicable laws and regulations relating to the company's operations and participation in the Fair and shall bear sole responsibility and consequences for failure to do so. 5. *Technical Performer shall allocate exhibition space based on submitted Registration Forms. If needed, Technical Performer reserves the right to allocate an area to the Exhibitor up to 10% larger or smaller than requested in the Registration Form. The Exhibitor shall allow unobstructed passage through his stand of any installations necessary for equipping, technically or by other means, the exhibition space or another exhibitor's stand.*

Late payments shall be charged penalty interest.*
